

New Journal of Physics

The open access journal at the forefront of physics

This is to certify that the article

Determinants of public cooperation in multiplex networks

by Federico Battiston, Matjaž Perc and Vito Latora

has been selected by the editors of *New Journal of Physics* for inclusion in the exclusive 'Highlights of 2017' collection. Papers are chosen on the basis of referee endorsement, novelty, scientific impact and broadness of appeal.

Professor Barry C Sanders

Editor-in-Chief
